INTRODUCING

EURYCO®

THE MOST RELEVANT TONGKAT ALI EXTRACT IN THE MARKET
8% EURYCOMANONE PURITY

ORIGINALLY SOURCED FROM BORNEO
SPECIFICALLY DESIGNED TO SUPPORT YOUR SEXY-LIFESTYLE

Euryco® is made of Tongkat Ali root extract, concentrated to at least 8% Eurycomanone, the highest concentration in the market today. Eurycomanone is naturally occuring bioactive found in Tongkat Ali. Studies show Eurycomanone increases physical endurance, energy, stamina, genital sensation and sexual performance in adult men. Tongkat Ali has traditionally been consumed by our ancestors for many years to increase energy, enhance sexual potency and improve fertility.

SUITABLE FOR MEN OVER 50 YEARS OLD
